

# DONINGTON PARK CLASSIC CAR TREASURE HUNT

## INTRODUCTION

Donington Park Grand Prix circuit, situated in the heart of the country and on the edge of Derbyshire, Leicestershire & Nottinghamshire is within easy reach of some stunning driving country; just perfect for our Classic Car Treasure Hunt. The day starts with a full English breakfast at the Museum Café, adjacent to the Donington Museum that holds the world's largest collection of Grand Prix cars (entry included).

## THE DETAIL

The event briefing will be delivered over breakfast and treasure hunt packs distributed, containing your route, clues, questions, digital cameras, maps and a lunch float. A car familiarisation session will follow after which you are free to set off on your day's driving adventure. On reaching the clue destinations you will be asked to either write down the answer or photograph it, ensuring that at least one team member 'stars' in the photo; bonus marks will be awarded for the best/most inventive correct photo!

stop wherever they wish for lunch (suggestions will be provided).

On arrival back at Donington Park the guests are free to visit the museum whilst their answers are marked and scores added up and the winners will be announced over tea.

Our routes are planned to keep off the beaten track and visit many places of interest and beautiful English villages. The choice of cars is listed below but others are available for additional premiums.

A lunch float is also included for the guests to
